

Magic Pills

CAUTION: Taking these pills without reading the directions below can cause a severe harm to your health.

Directions:

A Magic Pill is the pill which contains magic power in it. This pill can take cure any symptom.

Do you want some?

But first let us understand together what is magic and what a pill is.

Magic is deceiving and deception, while pills are according to what they are made of.

In here we ask you, “Do you want to light yourself up or you want us to light you up?”

If you want us to give you light, we won't do so, our principle is to be honest and truthful to the most of our ability.

If you want to give it to yourself you can go to a card reader, check the horoscope, read your palm, or look

for a fortune cookie.

Or, if you want the truth, come to us. We can take you to the truth, we can take you to the Owner of the truth, the Owner of the past, the present, and the future.

Do you really want magic pills?

Do you want fake pills?

Do you want placebo pills or sugar pills?

Placebo pills and sugar pills are the pills which the doctor gives to the people who have no symptom, but they always complain. The doctor wants them to believe they took medication because he knows they have no problem but they are sick in the head and they want to take something.

Do you want that?

Do you want the real medication?

Do you always run around looking for a quick answer or a quick cure?

Do you want to take your time and go to the doctor let him examine you, and then take the medication the way the doctor describes it, believe in the doctor, take the medication and

be patient until you will be cured?

We don't have magic pills, but we offer you the road to the Owner of all the medication, the Owner of all the cures, the One Who has the ability, the power and the might, Allah (Subhana wa ta'ala).

The title "Magic Pills" is just to attract you to think for a moment and ask yourself:

Is mankind today in need of magic pills or the real cure and the true pills?

If you are real! With us you will find the answer and the cure.

If you are a fake person, you will not be interesting with us. You are looking for a fake people, fake message, and fake medication (i.e. making believe).

And do you know who you are?

You are a liar!

Come! Come to our clinic, come to our hospital, come to our office, knock on the door and the door will open by the will of Allah (SWT) and you will find the light for the road, the light to the way, the light to the cure, the light to the strength, the light to the success, the light to the Light and to the Owner of the light: The Divine Light, Allah (SWT).

In the Name of Allah, the Most Merciful, the Most Gracious

Ya-Sin. By the Qur'an, full of wisdom (i.e. full of laws, evidences, and proofs)-Truly, you (O Muhammad PBUH) are one of the Messengers, on a straight path (i.e. on Allah's Religion of Islamic Monotheism).

A Revelation sent down by the All-Mighty, the Most Merciful, In order that you may warn a people whose forefathers were not warned, so they are heedless. Indeed the Word (of punishment) has proved true against most of them, so they will not believe.

Verily! We have put on their necks iron collars reaching to chins, so that their heads are forced up. And we have put a barrier before them and a barrier behind them, and We have covered them up, so that they cannot see. It is the same to them whether you warn them or you warn them not, they will not believe.

You can only warn him who follows the reminder (the Qur'an), and fears the Most Gracious (Allah SWT) unseen. Bear you to such one the glad tidings of forgiveness, and a generous reward (i.e. Paradise). Verily, We give life to the dead, and We record that which they send before (them), and their traces [their footsteps and walking on the earth with their legs to

the mosque for the five compulsory congregational prayers and all other good and evil they did, and that which they leave behind], and all things We have recorded with numbers (as a record) in a clear box.
Quran36:1-12

[In the Name of Allah the All-Knowing, All-Hearing](#)

He, Who produces for you fire out of the green tree, when behold! You kindle therewith. Is not He, Who created the heavens and the earth Able to create the like of them?

Yes, indeed! He is the All-Knowing Supreme Creator. Verily, His command, when He intends a thing, is only that He says to it, "Be!"- And it is! So glorified be He and Exalted above all that they associate with Him, and in Whose Hands is the dominion of all things, and to Him you shall be returned. **Quran 36: 80-83**

[In the Name of Allah the All-Knowing, All-Hearing](#)

Allah is the Light of the heavens and the earth. The parable of His Light is as (if there were) a niche and within it a lamp, the lamp is in glass, the glass as it were a brilliant star, lit from a blessed tree, an olive, neither of the east (i.e. neither it gets sun-rays only in the morning) nor of the west (i.e. nor it gets sun-rays only in the afternoon,- but it is exposed to the sun all day long), whose oil would almost glow forth (of

itself), though no fire touched it.

Light upon Light! Allah guides to His Light whom He wills. And Allah sets forth parables for mankind, and Allah is All-knower of everything. Quran 24:35

Did you read those beautiful verses?

If you read it with your heart do you still want magic pills?

Remember you are one of three: as the Prophet Muhammad (Peace Be Upon Him) said: either you are a ***Talib*** (i.e. Seeker) that will benefit and will be in ***Jannah*** (Paradise) insha'Allah.

Or a ***naqed*** (i.e. a critic) and plenty of you are in the market today. In such a case, remember us on the Day of Judgment, we will be witness against you and you will be in the hellfire, insha'Allah, may Allah protect us.

The third kind is a ***mokktafy*** (i.e. you feel that you have enough and you know it all) and there are plenty like you too.

Our job is to give the message the way it is, by this way, in the front of the Almighty, the Creator, Allah (SWT) if you are patient enough and humble enough, you will get the message and we promise you will benefit a lot and we will be witness to you in

the day of judgment insha'Allah.

But if you decide to act with arrogance and just to keep criticizing, we will be witness against you on the Day of Judgment in front of Allah, the Almighty.

We believe mankind is in the state of ***Ghافل*** (i.e. no awareness or awakeness) no matter whether you are Muslim or non-Muslim, learned or ignorant. We missed the message, we never got the message, we refuse to get it, we refuse to live it, and we refuse to share it with mankind.

If you are among those and call yourself a Muslim, you are a ***Mujrim!*** (A criminal!) against Islam and against mankind and remember us and we will remember you on the Day of Judgment insha'Allah (SWT).

After all these signs which are arriving everyday: Hurricanes, Earthquakes, Volcanoes, Diseases, etc., etc. and we are still sleeping. We still don't want to wake up?

We believe that mankind does not have too much time, both Muslim and non-Muslim alike. Either we wake up and wake others quick or we will be in a big trouble with Allah (SWT).

If you are a Muslim, or claim you are a Muslim, do you think you are a Muslim? We doubt it.

If you are not sure and if you are humble enough to check yourself out, go check our Video series, especially the first one and the second one, watch them. (From Darkness to Light, and *Dawaah* (Invitation) to Allah)

What are you going to lose? You will know what we are all about if you are humble and patient enough.

If you are a non-Muslim it will be an effort and time you will never regret, it might be at least an **eye opener** for you.

An eye opener ha..... Not a can opener. There are a lot of can openers on the market and there are a lot of hole openers in the market but we believe that mankind needs an eye opener we have the opener by the will of the Creator, and you are more than welcome to use it.

We commit it to build the bridge between east and west, the bridge to the truth, the bridge to the safe haven, the bridge to harmony, the bridge to peace, and the bridge to understanding.

Even if you don't believe us, at least we'll get closer and we'll understand each other. This is our goal, we're just a reminder for those willing to be reminded.

[In the Name of Allah the All-Knowing, All-Hearing](#)

Say (O Muhammad PBUH): "Truly, my lord has guided me to a straight path, a right religion, the religion of Ibrahim (Abraham), Hanifa [i.e. the true Islamic Monotheism-to believe in one god (Allah i.e. to worship none but Allah, Alone] and he was not of Al- Mushrikun [i.e. those who worship something else beside Allah (SWT)].

Say (O Muhammad PBUH): "Verily, my Salat (Prayer), my sacrifice, my living, and my dying are for Allah, the Lord of the 'Alamin (mankind, jinns and all that exists)."He has no partner. And of this I have been commanded, and I am the first of the Muslims."

Say: "Shall I seek a lord other than Allah (SWT), while He is the Lord of all things?"

No person earns any (sin) except against himself (only), and no bearer of burdens shall bear the burden of another. Then unto your Lord is your return, so He will tell you that wherein you have been differing."

And it is He Who has made you generations coming after generations, replacing each other on the earth. And He has raised you in ranks, some above others that He may try you in that which He has bestowed on you.

Surely your Lord is Swift in retribution, and certainly He is Oft-Forgiving, Most Merciful. **Quran6:161-165**

In the Name of Allah, the Most Gracious, the Most Merciful

Say (O Muhammad PBUH): "He is Allah, (the) One."
"Allah-us-Samad (The Self-Sufficient Master, Whom all creatures need, He neither eats nor drinks)."He begets not, nor was He begotten; and there is none co-equal or comparable unto Him." Quran112:1-4

In the Name of Allah, the Most Gracious, the Most Merciful

By Al-'Asr (the time). Verily! Man is in loss, Except those who believe (in Islamic Monotheism) and do righteous good deeds, and recommend one another to the truth (i.e. order one another to perform all kinds of good deeds (Al-Ma'ruf) which Allah has ordained, and abstain from all kinds of sin and evil deeds (Al-Munkar) which Allah has forbidden), and recommend one another to patience (for the sufferings, harms, and injuries which one may encounter in Allah's cause during preaching His Religion of Islamic Monotheism, ...etc.)Quran103: 1-3

In the Name of Allah, the Most Gracious, the Most Merciful

Verily, We have granted you (O Muhammad PBUH) Al-Kauthar (a river in paradise); therefore turn in prayer to your Lord and sacrifice (to Him only). For

he who makes you angry (O Muhammad PBUH), - he will be cut off (from every good thing in this life and in the hereafter). Quran 108: 1-3

We believe we are not for just anyone; the majority of mankind are liars. They are liar to themselves and they are liars to each other.

We only believe we can benefit those who are really a truthful people seeking the truth as Muslims and non-Muslims alike.

We can only benefit the humble one but the arrogant one will criticize us and leave and they are the majority.

But by the will of Allah (SWT) if you are humble enough to think about every word you heard or you read, we promise you insha'Allah (God Willing) you will get something.

And if you are honest enough, humble enough and got to like us, ask yourself why?

And if you don't like us, ask yourself why? And if you are blind or arrogant, there's nothing we can do for you.

Call the Almighty, the Only One, He is the Only One who can help you and this is the shortest cut the only Way, Our Magic pills.
